

Election Change Request for Pre-Tax Benefit Accounts

The Wisconsin Department of Employee Trust Funds (ETF) offers an Open Enrollment period each year for pre-tax benefit accounts. After that time, you may make changes to your elections and enrollment using this form.

For Health Care and Dependent Day Care Flexible Spending Account (FSA) changes, you must have a qualified life change event, listed below, and your request must be received within 30 days of the qualified life change event. For Health Savings Account (HSA), Parking Account, and Transit Account changes, you are not required to have a qualifying life event in order to make an election change. The contribution change will be effective the 1st of the month following the application received date.
